

MERE

THE BOOK OF BEAUTIFUL BATHROOMS

WELCOME TO MERE

Mere Bathrooms is a major UK based distributor, providing a full range of own brand and independently branded bathroom products to the retail and merchant business sector.

The Mere business model is based around holding high levels of stock, outstanding customer care and a fast, efficient delivery service.

LET US HELP YOU CREATE YOUR OWN HAVEN

The bathroom is the most important room in the house. It's where we start and finish the day, a safe haven to unwind and wash away life's little stresses and one of the most valuable rooms in the house.

3 REASONS TO REFURBISH YOUR BATHROOM

1

INCREASED PROPERTY VALUE

Refurbishing your bathroom can add up to £4,000 (and more) on the value of your home. If you are selling your property a tidy, clean and functional bathroom is very appealing to potential buyers and has a significant influence on the buying decision. If selling your property is something for the future then you can enjoy the benefits of a refurbished bathroom in the meantime.

2

EXTRA LUXURY

Who would say no to a bit of luxury? Refurbishing your bathroom gives you the opportunity to design a room that you enjoy using and helps to create that enjoyable experience for your guests. People use the bathroom as an escape to unwind and relax. Details like leaking taps and yellowed bath panels or simply colours that you don't like are all things that disturb the blissful experience so why not remodel your bathroom and create your own haven.

3

IMPROVED FUNCTIONALITY

Manufacturers across all industries are constantly innovating and producing better and better designs and products to enhance functionality and reliability. So it's important to consider who else uses the bathroom and how they prefer to use it, for example preference over bath or shower. Other factors to take into consideration include family size, accessibility and best use of space, is it easy to keep clean and is it safe? There are also products that are designed to save water and energy costs such as adjustable cisterns to dual fuel towel radiators.

SUPERIOR CUSTOMER SERVICE

HELP & ADVICE

Our full time, trained customer service team are just a phone call away to answer queries about any product.

QUALITY CABINETS

For the perfect finish, Moda Plus furniture carcasses are colour matched to the doors and now come complete as one pack.

10 YEAR GUARANTEE

We are proud to offer a 10 year manufacturers guarantee on all products (unless otherwise specified).

SOFT CLOSE

Mere Bathrooms toilet seats, drawers and doors feature soft close hinges.

DELIVERY SERVICE

The Mere Bathrooms distribution team services next day delivery to UK showrooms and trade counters. Direct site delivery is available upon request.

SPARE PARTS

Lost something on site? No problem, our customer service team are on hand to fulfil any parts requirements.

WHAT'S NEW?

At Mere we love to develop new products and we are very excited about the latest releases included in this brochure. This versatile and practical collection of new products feature designs and finishes that are relevant to today's demands. We hope you enjoy browsing our brochure and if you have any questions we're a phone call away.

^ Moda Plus fitted furniture

25 | Lorenzo L Shape Bath Panel | The L shape panel eliminates the corner join when two panels are used creating a much neater finish. Lorenzo L shape panels feature Premium resin reinforcement adding to the rigidity and stability of the bath.

34 | Hugo2 600 x 800 | The new Hugo2 towel rail size H600 x W800mm is ideal for installation under windows

58 | Loretto Furniture | Superb, contemporary styled wall hung bathroom basin units available in two sizes and two finishes with generous bowl size and easy access draw.

73 | Rocco Cistern | Wall mounted dual flush hidden cistern, top or front flush, used with back to wall pans, blow moulded tank, ideal for underneath windows.

104 | Giorgio | The new Grey Slate Giorgio tray finish is a perfect complement to the Loretto grey wall hung furniture, is manufactured from durable stone resin, can be fitted flush to the floor and has a 100mm cutting border.

116 | Moda Plus | The Moda fitted furniture range has been replaced with Moda Plus, with new finishes Fjord and Dakar, and new pack configurations making it easier to order. The plinth height has been lowered to 160mm and the WC bottom panel fascia extends to the floor eliminating the need for a pan to plinth block.

146 | Tissino Brassware | The new Tissino brassware ranges consisting of Parina, Bavera, Savena and Elvo create a comprehensive brassware range that includes basin mono taps, bath fillers, tall basin mono taps in square and round designs and includes designer handles in the Bavera range.

192 | Reef PVC Shower Panels | Introducing two new finishes to the ever popular 10mm Reef shower panel range, Emporador Marble and Cayman. Waterproof, quick and easy to install and very low maintenance.

PERMA BIANCO

Baths & panels that stay white

Perma Bianco bath panels are manufactured using a pliant acrylic and is an innovation that overcomes unsightly discolouration in bath panels. The Tissino panels include a wooden core and a layer of resin reinforcement providing a highly robust, rigid bath panel that is very flat and will always look fantastic. The acrylic runs right through around the edges of the panel to allow for trimming if necessary.

A unique fixing system holds the panels tightly together in the corners to create a finish that is pleasing to the eye. Various sizes are available that will fit most acrylic baths.

No more unsightly bath panels!

MILANO

Bath Screens

The Milano Series of bath screens are supplied in 6mm glass thickness and are protected with our unique Brillo Vetro coating to ensure resistance against soap deposits and easy cleaning. The single and double panel versions feature a rise and fall hinge allowing the seal to lift on and off the bath rim to prevent wear and ensure a tight seal. Milano screens are tested to EN14428 and include high quality die cast chromed hinges.

Reversible for left or right handed use.

HYDRO

Systems

Turn a simple bath into a luxury bathing experience with a hydrotherapy system

- 1 Choose a bath
- 2 Choose a system
- 3 Add any extras

WHAT IS HYDROTHERAPY?

The Mere range of hydrotherapy systems consist of two key elements...

Whirlpool - side jets that circulate water around the bath.

Air Spa - small outlets at the bath base blowing air into the water.

Hydrotherapy systems have therapeutic benefits and lead to a sense of overall wellbeing. The motion and warmth of the water causes blood vessels to dilate, speeding up the flow of oxygen and the body's natural healing process of injured muscles.

DELIVERY & WARRANTY

Under normal circumstances your hydrotherapy system will be delivered within 7 working days.

Hydrotherapy systems are guaranteed for 12 months from the date of purchase. Defective materials will be replaced or repaired free of charge except when there has been damage caused by negligence, misuse or improper installation.

SYSTEM 1000

A fantastic 6 or 8 jet Whirlpool system offering full therapeutic benefits. The 0.7hp pump gives enough power to enhance your system with the optional foot or back jets providing a luxurious bathing experience.

- 6 Jets Chrome** - Code: 51-1103 ex VAT: £561 inc VAT: £673
8 Jets Chrome - Code: 51-1313 ex VAT: £774 inc VAT: £929

SYSTEM 2000

This system's unique neon lit 6 or 8 whirlpool has the additional feature of colour changing LED lights inside each jet, giving any bath the luxurious relaxing feel it deserves.

- 6 Jets Chrome** - Code: 51-2103 ex VAT: £1,280 inc VAT: £1,536
8 Jets Chrome - Code: 51-2203 ex VAT: £1,499 inc VAT: £1,799

SYSTEM 3000

A quality Air Spa system comes complete with a 4 speed adjustment to give the relaxing ambience that is needed for all. This also has the benefit of a built in Self Cleaning system providing a clean and reliable operation.

- 10 Spa Jets Chrome** - Code: 51-1513 ex VAT: £904 inc VAT: £1,085

SYSTEM 5000

This superb dual system offers the benefits of both Whirlpool and Air Spa in one bath, which can be used together or separately. Complete with an easy to use and stylish electronic touch pad.

- 6 Jets + 10 Spa Chrome** - Code: 51-5103 ex VAT: £2,269 inc VAT: £2,723

SAVOY

BLENHEIM

SAVOY & BLENHEIM

Towel rails

Savoy clean profiled towel rail with high heat output and is available in a wide range of sizes making it a popular choice.

The softly curved horizontal rails of Blenheim will add style and splendour to any setting. The range features excellent heat output and can be installed with central heating, dual fuel or electric only options.

ELLESMERE

Towel rails

Ellesmere stainless steel towel warmers are dry element operated for rapid heating and long element life. This makes these towel warmers very efficient, consuming less power to maintain the same temperature under a towel.

The standard version requires a separate switch operation, whereas the switched version includes an integral switch on the bottom left.

DUAL FUEL VALVES

A dual fuel towel rail can be heated by the main heating system in the house, or when the heating system is not in operation it can be isolated and heated by the element. This gives the user the luxury of heated towels all year round without having to use the heating system in summer periods.

ADVANCED TECHNOLOGY

BPlus has been designed to achieve maximum hygiene with minimum water. Combining Italy's supreme design power with superior technology and unmatched hygiene to create the **perfect wc**.

- Hands free cleaning
- Adjustable water heat
- Adjustable water pressure
- Cover heater

RIMLESS DESIGN

The BPlus is a rimless WC which provides a hygienic environment and easy cleaning. This reduces detergent consumption compared to standard WC's and only 4 litres of water is required to flush.

- 1 rimless design
- 2 vortex water outlet
- 3 monoblock water distributor

Rigorously tested and very highly certified, the Rocco range from Tissino is essential for the contemporary bathroom. Framed and concealed cisterns used with wall hung or back to wall toilets create a greater impression of spaciousness. Rocco cisterns are easy to fit, easy to maintain, quiet and highly efficient.

FEATURES

- Adjustable height
- Dual flush
- Insulated, blow moulded tank
- EN 14055, WRAS, CE, WELL & Watermark accredited

3 easy steps to create a minimalist, clean WC suite that is easy to maintain and clean.

SHOWERS

GLASS PROTECTION

All our showers come with a protective coating that effectively cleans your shower for you. This will keep your shower enclosure looking like new, at no extra cost.

HOW DOES IT WORK?

A micro-thin invisible coating is applied to the glass as standard across our shower enclosures. This innovative technology creates a surface that water and grime are unable to stick to, creating a lasting mark-free finish.

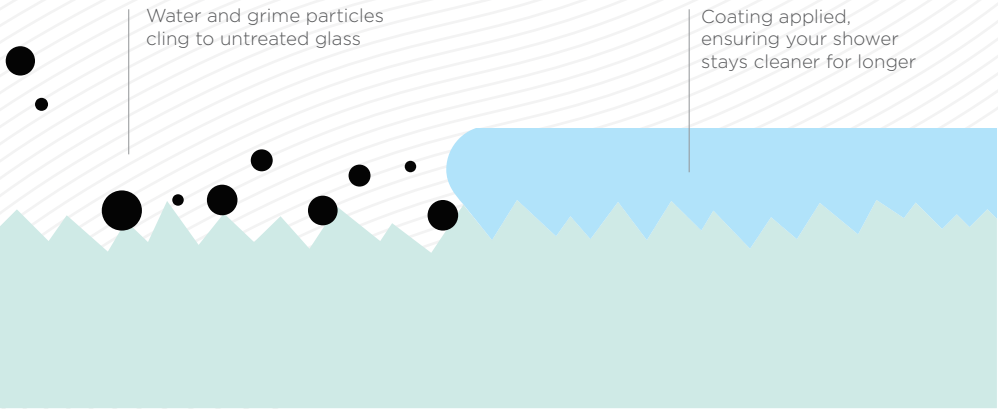

KEEPS CLEANER FOR LONGER

Over time, the glass panels in shower enclosures can become tarnished by a build up of limescale and soap residue from shower gels and shampoos. By preventing the adherence of these products, the protective coating keeps glass looking cleaner for longer.

WARRANTY

Our enclosures have been developed to be effective and durable, offering long lasting protection on every enclosure we supply. To give you added peace of mind, the protective coating on every glass panel is guaranteed for two years.

ARMANO EXPLAINED

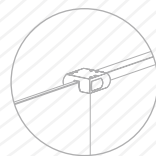

300 HINGED RETURN PANEL

Great for smaller spaces to control water splash and can be folded away after use.

250 FIXED RETURN PANEL

Used to add that extra design feature and to prevent water from splashing outside the shower enclosure.

Includes dedicated glass clamp, foot & corner profile.

CORNER CONNECTING PROFILE

Use a corner connecting profile to attach two shower glass panels together at 90 degrees. Includes cover cap for premium finish.

BAR CLAMP

Use this neat component to attach 2 arms at right angles to each other.

CEILING SUPPORT ARM

Used to avoid obtrusive horizontal arms and create a spacious feel in the enclosure.

GET THE LOOK...

Products to complement your Armano shower enclosure.

SUPPORT ARM

High polished aluminium support arms can be cut to length allowing flexible design & rigid support. Inc. wall fixings.

GLASS CLAMP

A robust chrome coated brass clamp used to attach the support arms to glass panels.

WETROOMS

Dukkaboard®

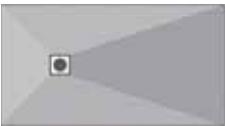

The perfect solution to all wetroom projects, the Dukkaboard range is totally moisture and rot proof.

Dukkaboard wall & floor boards should be used in preference to plasterboard or chipboard due to its water and rot proof properties and gives the best possible backing for tiles, glass and stone.

Waterproofing kit includes 5kg of Neo-Flex, Pro-Tile Primer 1L, Fleece 10 x 25mm, Fleece 1m2, Roller & Sleeve. Screws should only be used to fix Dukkaboard with washers.

MARIO

The Mario offers a huge range of options for you to create your own perfect showering experience. From luxury rain showers and versatile slide rail kits to valves and body jets, attention to detail and high quality are very evident in this range.

With the added comfort of knowing your valve is moulded from a single piece of brass with no joins and has a 10 year guarantee, you can enjoy your own luxury shower with total peace of mind.

To make it easier for you we have grouped some components together into shower packs on pages 166 and 167.

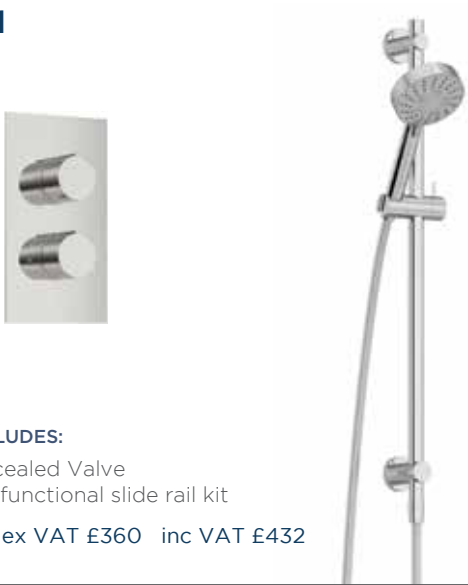

tiissino

Mario products can be used in many different ways so that your shower is tailored exactly to your needs. Here we have put some of our most popular configurations together.

PACK 1

- PACK INCLUDES:
- Concealed Valve
 - Multifunctional slide rail kit

48-9001 ex VAT £360 inc VAT £432

PACK 2

- PACK INCLUDES:
- Concealed valve with diverter
 - Shower head
 - Slide rail kit
 - Outlet Elbow

48-9002 ex VAT £589 inc VAT £707

PACK 5

- PACK INCLUDES:
- Concealed valve with diverter
 - Slide rail kit with concealed outlet
 - Overflow bath filler

48-9005 ex VAT £436 inc VAT £523

PACK 6

- PACK INCLUDES:
- Concealed valve with diverter
 - Slide rail kit
 - Overflow bath filler
 - Outlet elbow

48-9006 ex VAT £494 inc VAT £593

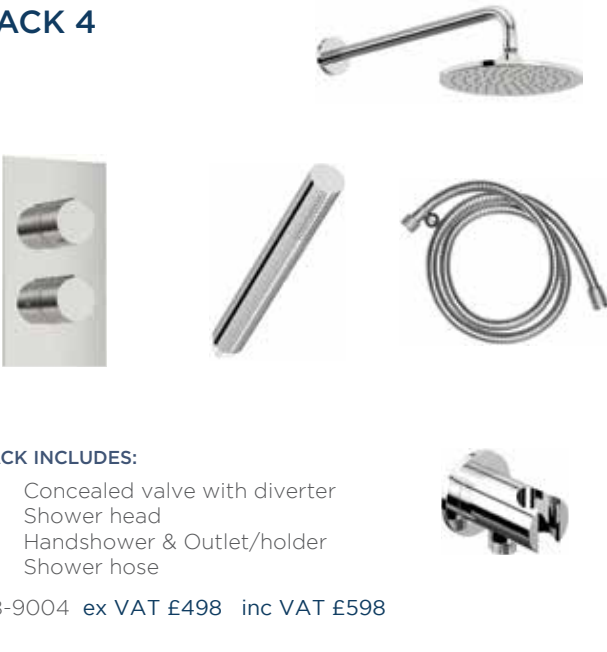

PACK 3

- PACK INCLUDES:
- Concealed valve with diverter
 - Shower head
 - Slide rail kit with concealed outlet

48-9003 ex VAT £512 inc VAT £614

PACK 4

- PACK INCLUDES:
- Concealed valve with diverter
 - Shower head
 - Handshower & Outlet/holder
 - Shower hose

48-9004 ex VAT £498 inc VAT £598

PACK 7

- PACK INCLUDES:
- Concealed valve with diverter
 - Handshower
 - Outlet elbow with holder
 - Bath overflow filler

48-9007 ex VAT £426 inc VAT £511

PACK 8

- PACK INCLUDES:
- Slide rail kit
 - Exposed valve
 - Shower Hose & Head

Round Version 48-9008 ex VAT £255 inc VAT £306
Square Version 48-9009 ex VAT £279 inc VAT £335

FLOORING

InterGrip is a waterproof, interlocking, vinyl floating floor system that can be installed in an entire room quickly and easily. The unique InterGrip technology halves the cost of laying conventional luxury vinyl tile and plank products and reduces installation time by up to 70%.

InterGrip can be laid over an existing floor, requires no adhesive and very little or no sub-floor preparation.

InterGrip consists of two core layers with an innovative overlapping glue strip assembly. The surface consists of an additional 0.3mm hard-wearing wear layer making it the perfect solution for all domestic and light commercial water resistant flooring.

FEATURES

- No glue required
- Easy to cut and fit
- Water resistant
- Hard-wearing ALX surface
- No damp proof membrane required
- Absorbs sound

SHOWER PANELS

As the familiar name in waterproof wall & ceiling coverings, Reef's range of styles and effects can be used to enhance any bathroom.

Attractive, robust tongue & groove PVC panels are easy to install and can be fitted onto battens or fixed straight to the original wall and is possibly the quickest and simplest way of giving your room a make-over. Virtually maintenance free, Reef is regularly used within shower enclosures, and a complete range of trims and profiles are available to allow for full room installations of any shape and size.

FEATURES

- Waterproof
- Quick and easy to install
- Very low maintenance
- No grout to discolour
